We pay highest market prices for butter and eggs

Owing to a breakdown in the machinery, the "Western Globe" is two days late.

Boost the Fair

Lacombe has fallen down for years on her exhibition, but as our farmers and townspeople have apparently tumbled to the fact this year, there are hopes that we will soon be back in our old place as the leading Exhibition in Central Alberta. But it takes money to resuscitate an institution that is almost defunct, and that money must come from the people of the district interested. It costs the people of Lacombe very little for prize money, the government paying 66 per cent. of the prizes, but to have a good fair we must have attractions, and attractions take money. This year, the Directors need cash to the amount of \$2000, and they are going out to get it. Lists are being prepared and canvassers will go to every farmer and citizen of town and village in the district for donations. It is up to everyone to donate. Treat the canvassers well—it is in your own interests they are working—they are getting nothing out of it but devoting their time to Boost the Fair. Let us have a REAL fair this year.

"The Heart of Humanity"

Tremendous interest is being shown in the forthcoming production "The Heart of Humanity," which will be presented for one

night only at the Vet. Theatre, July 17th. One of the most interesting facts regarding this magnificent attraction is that the entire story is of Canada and Canadians. Beginning with the simple lives of an entire community situated by our own Athabasca River, taking them through four years of love and hate, war and peace, it is a story that will grip your very heart strings, and create a feeling which will never be forgotten. One of the special features of the presentation of "The Heart of Humanity" at the Rex theatre, will be the elaborate musical setting, offered by a Symphony orchestra, which greatly enhances the beauty and appeal of the pictures.

The following was sent in by Allan McDonald, and we publish it without comment.
Water is a wonderful blessing.
Great for washing necks and ears;
Good for sprinkling dusty pavements.
Indispensable for piers.
Just the thing for rain and rivers.
Swell for making tea and ink,
Fine for putting under bridges.
But its simply H--- to drink.....

The new garage going up on Barnett Avenue is well under construction and will be finished inside of a month.

Picnic Sets

Consists of:—

- 6 Dinner Plates.
- 2 Large Salad Dishes.
- 2 Large Sandwich platters.
- 6 Handy side Dishes.
- 6 Butter plates.
- 12 spoons.
- 6 napkins.
- 1 Table Cloth.

Sets packed in card board box. Just the thing for camping and picnics.

Per Set 50c.

Postage paid on mail orders.

GRAND Orange Celebration At Lacombe Saturday, July 12th

A record crowd expected from all over the
Province. A big program of sports.

Everything is in readiness for the grand Orange Celebration which will be held this year in Lacombe under the direction of the local L.O.L. No. 1890, on July 12th, and judging from the attractive program that has been prepared by the committee in charge for that day it is a guarantee that everybody that is in Lacombe on that day will have the one big day of their lives.

D. M. Reeves, master of the local Lodge, and his chief Aide Thomas Dagg, met with Jack Graydon, Rev. Hollingsworth, R. Frizzell, R. A. Flack and others last week and arranged a program of horse racing, pony races, gentlemen's driving race, Ladies saddle race, Indian races, bicycle, and foot racing, for handsome prizes. A big purse will also be hung up for a championship baseball match. A special prize will be given for the girls basketball match.

The day will start with a monstrous street parade headed by a brass band of fifty pieces, and King Billy on his white charger followed by all the Orangemen in the province that can get to Lacombe for that date. The line of march will be through the principal streets, then on to the Fair Grounds where special addresses and a band concert will be held from 1.30 to 2.30.

At 2.30 sharp the following program will be run off in the order named.

Horse Races

One mile running race open to all Indians, best two in three heats

Pony race for boys under (16), half mile	\$5	\$3	\$2
Gentlemen's driving race hitched to buggy, 1 mile (trotting)	5	3	2
Ladies' half mile running race	5	3	2
One mile running race, open to all	10	5	3
Squaw race one mile	5	3	2

Athletic Sports

Bicycle race one mile, open to all	5	3	2
Hundred yard dash for veterans only	10	5	3
Boy's obstacle race under 16	5	3	2
Hundred yard dash for men, open	10	5	3
Fifty yard dash for Ladies, open	5	3	2
Pole vaulting open to all	5	0	0

Championship baseball game for a purse of twenty-five dollars, a prize to the winners of the girls basketball team of six dollars.

Music will be furnished throughout the afternoon by the big band, and refreshments will be served on the grounds.

Jack Graydon, Secretary, has notified all the local lodges in the province and judging from the responses, Lacombe will have a record crowd. The Reception Committee has requested every citizen appoint themselves a committee of one to look after the visitors and show them a good time.

Indian Jim Pappas, has assured the sports committee that he will be on hand with a good bunch of riders and fast horses for the Indian races.

Few Men Desire to Undertake

The proper administration of an Estate is no easy task. If
put on the shoulders of an individual, it demands an amount of
time and care that few business men can willingly spare from
their own affairs; moreover should anything happen to the in-
dividual before the Estate is settled, confusion, litigation and
delay, with accompanying loss, frequently result. The Trust
Company specializing in the administration of property is the
logical answer to the question of whom to name as your Ex-
ecutor.

Consult us now about this important matter.

McClary's Sunshine

A FURNACE easy to manage; a furnace that is
economical of fuel; a furnace that will heat
your home comfortably.

This is the proposition we offer in the Sunshine.

McClary's heating experts will plan a heating sys-
tem for you without charge a heating system that
they guarantee will heat your home comfortably.

If you want to be sure of COMFORT;
if you want a durable, honestly built
furnace, well installed, put the problem
up to us.

Ask about the LITTLE DRAFT-
MAN that turns on the drafts
and regulates them automatically.

Sold by, A. M. Campbell.

THE TAX RECOVERY ACT.

The various Municipal Acts in
force in the Province provide for
forfeiture proceedings being taken
against land on which taxes are
in arrears. By these proceedings
the title to the land is forfeited to
the Municipality, subject to red-
emption within a year, and if the
land is not redeemed then it may
be sold by the Municipality. This
method of tax enforcement, has
proved both expensive and tedious
as it requires the making out of
a Tax Enforcement Return; Ab-
stracts of Title are required to be
secured from the Land Titles Of-
fice for all lands on the said Tax
Enforcement Return; notices have
to be sent by registered mail at
least sixty days prior to date of
the court at which the Tax En-
forcement return is to be confirm-
ed to all parties having any in-
terest in the land and notice of
Court has to be advertised in the
local newspaper and in the Alber-
ta Gazette. After the Tax En-
forcement return has been con-
firmed, additional Abstracts have
to be obtained, two more sets of
notices have to be issued and ad-
vertisements again inserted in local
newspapers and the Alberta
Gazette, giving date of final for-
feiture. If the land is finally sold
it is at least fourteen months from
the date of commencement of for-
feiture proceedings before the
Municipality realises all its taxes,
and if, frequently happens in ur-
ban Municipalities, the land
cannot be sold at all, the Munic-
ipality does not receive its taxes
and in addition, it is out a large
amount spent in obtaining ab-
stracts, printing and mailing sale
and notice of Court, advertising date of
final forfeiture and so on.

Because these proceedings were
so expensive, burdensome and un-
satisfactory, the Hon. A. G. Mc-
Kay, Minister of Municipal Af-
fairs, at the last session of the Le-
gisature, introduced legislation
under name of Tax Recovery Act
which will greatly simplify and
reduce the expense of the Tax En-
forcement proceedings in the future.

Under the Tax Recovery Act,
lands, on which taxes are in ar-
rears on the first day of July on
the year following that in which
they are levied, are liable to be
sold for taxes and the Treasurer,
Assessor or Collector, as the case
may be, of each city, town or vil-
lage or Municipal District shall,
on or before the fourteenth day
of August in each year, submit to
the Mayor or Reeve of the Munic-
ipality, a list of all lands that are
liable to be sold for taxes. The
Mayor or Reeve, on satisfying him-
self that the list is correct, gives
the proper official a warrant au-
thorizing him to advertise for sale
all the lands included in such list.
Such sale is required to be adver-
tised once a week for two consecu-
tive weeks in a newspaper or
newspapers published in the Mun-
icipality, or if there is no news-
paper published therein, in a news-
paper circulating in the Munici-
pality. Such advertisement must
be published not less than six
weeks before the date of sale and
is required to contain a list of the
lands to be sold. In addition to
the publication of the list as ab-
ove mentioned, there shall be pub-
lished once during each week af-
ter the period of two weeks ab-
ove mentioned, but prior to date
of sale, a notice of such sale and
a statement as to where the list
of lands may be seen. Notice of
the sale is also required to be pub-
lished in two issue of the Alber-
ta Gazette, the last issue to ap-
pear not less than two weeks be-
fore the date of the sale. No land,
the title to which is vested in the
Crown, can be included in the sale.

Lands so offered for sale shall be
sold to the highest bidder, and if
they cannot be sold for the full
amount of the arrears and costs
they may be sold for a lesser sum,
subject however to a minimum value
that may be placed upon them
by the council of the Municipality.
This minimum value shall not be
advertised, but shall be treated by
the Treasurer as the upset selling
price. Any lands which are not
sold at such sale shall be included
in the list of lands offered for sale
the following year. The purchas-
er at the Tax Sale will only be
required to pay at the date of the
sale, the amount due the Munic-
ipality for arrears of taxes and
costs even if the land is sold for
more than the arrears of taxes
and costs.

As soon as the sale is comple-
ted, a Return showing the lands
sold will be sent to the registrar of
the Land Titles Office for the Re-
gistration District in which the
land is situated, who shall register
against such land a memorandum
to the effect that any prospective
buyer or money lender may be
protected.

All lands sold at a tax sale are
subject to redemption within a
period of one year from date of
sale. Where lands sold are not
redeemed by the end of the year
all parties shown by the record of
the Land Titles Office to be inter-
ested in any way in the land, will
forthwith be notified of that fact
by registered mail, and after a
period of sixty days has elapsed,
from the expiration of the redem-
ption period, a Return of the unre-
deemed lands will be submitted to
a Judge of the District court, who,
on being satisfied that due notice
has been given and that all mat-
ters in connection with the pro-
ceedings are regular, shall make
such order as to transfer as he
deems fit and advisable and in ac-
cordance with this order the Treas-
urer shall then issue transfer to any
tax sale purchaser, on receiving
from him payment of the balance
outstanding, and such transfer
shall entitle the purchaser to an
indeefeasible title, except as to
claims of the Municipality or the
Crown. Any monies paid to the
Municipality over and above the
taxes due, shall be paid to the
tax sale purchaser by order of a
Judge of the District Court to be
entitled thereto.

By comparing the procedure
under the Tax Recovery Act with
the procedure under the Tax En-
forcement Act, it will be noted
that under the Tax Recovery Act,
it is only necessary for the Munic-
ipality to obtain Abstracts of Ti-
tle, and to advertise by registered
mail, in connection with the
lands which are sold and not re-
deemed, whereas under the forfeit-
ure proceedings that have been in
force under our Municipal Acts,
it is necessary to obtain Abstracts
of Title of all lands in which tax-
es are in arrears, to send notice
by registered mail to all parties
shown to be interested, then, dur-
ing the year allowed for redem-
tion after the land has been for-
feited it is necessary for another
set of Abstracts to be secured and
two more notices to be sent to each
person shown to be interested in
the land, and after all this trouble
and expense the Municipality in
many cases is unable to collect
any taxes at all.

The Tax Recovery Act provides
for the immediate sale of land for
taxes, and it is not necessary for a
year as required by the forfeiture
proceedings. If the land can be sold
at all, this brings in the taxes im-
mediately. If it cannot be sold,
very little expense has been incur-
red. In addition to making pro-
vision whereby Municipalities may
obtain their taxes more quickly,
the Tax recovery Act provides a
simple method, whereby action
may be taken at an expense that
will not be more than one-third
of what it was under the forfeit-
ure proceedings in different Munici-
pal Acts, and if land is worth
the taxes the Municipality gets re-
sults quickly, while if the land
will not sell, the Municipality has
not been put to any great expense.

The provisions of the Tax Act
will come into force in the year
1920, and on and after the year
1920 the Tax Enforcement Pro-
ceedings provided for in the Muni-
cipal Acts will cease to be opera-
tive except insofar as proceedings
instituted prior to the end of the
current year are concerned.

Lacombe's Good Dogs

Alberta's big Calgary Dog Show
has proved that Lacombe posses-
ses not only good sports, but good
dogs. Glen White, of Cold Springs
Stock Farm, had five entries in
the Russian Wolf Hound Classes
and cleaned up five first prizes
and also a special. He is now go-
ing to bring out a real winner in
the Russian Wolf Hound breed
from the old country, and next
year he should acquire even great-
er honors. The Globe would like
to give a space in the paper to
dog fanciers of the district, and
will be pleased to receive news
from anyone interested.

It's Up to You!

Why should you go through life with half sight, or poor vision?
The other day I fitted a man with glasses who had gone through
life so near sighted that he could not recognize a friend across
the street. This man had never know the joy of clear vision,
and it was a pleasure to see his delight when he viewed distant
objects for the first time.

Then there is a person who has a headache after reading for a
short time. It is more painful that the near sighted condition,
but yields equally when proper glasses are worn. If you are
having trouble with your eyes, have them tested.

Sweet Cream Wanted
Some reasons why we lead! Because we can give you better ser-
vice.
We make the best product on account of its immediate manu-
facture.
Therefore we get the highest market price obtainable.
We want more sweet cream and will pay more for it.
A trial will convince you.
Always at your service.

LACOMBE CREAMERY

Lacombe Creamery

There is just one reason why Canadian butter cannot dominate
the Worlds Markets. That reason is "Quality" the control of
which is in the hands of the producer and the Buttermaker.
If the cream producers will patronize their local Creameries,
where immediate manufacture takes place, quality, lower cost
of production and consequently. Higher Prices to the Cream
Producers is the result.

Always at Your Service, Highest Prices.

Efficient service, and prompt payments the end of every week
or cash.

LAKE VIEW PARK

GULL LAKE

Lacombe's Famous Summer Resort

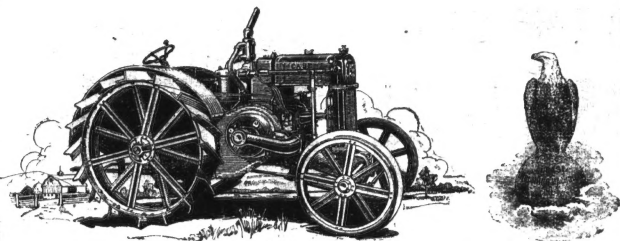

90 CHOICE LAKE FRONT LOTS

54 x 125 feet, frontage on the lake, adjoining Aspen Beach and Silver Beach, closer in than the residences of Jesse Fraser, C. Pringle, A. Lundie, and others.

\$100 a lot on Easy Terms

Every one of these lots front on the lake, and the shore is good. This will be your last chance to buy desirable lots cheap. Good auto road to the property.

JESSE FRASER AGENCY, LACOMBE

Why the Case Tractor Leads All Others

- 1 One piece cast main frame, forming dustproof housings for rear axle, bull pinion shaft, transmission and the bearings for these parts. Also a base for motor. This construction brings rigidity and prevents disalignment.
- 2 All traction gears are cut steel, enclosed and running in oil. No bevel gears, chain, worm or friction drive parts.
- 3 Case air washer delivers clean air to carburetor. No grit nor dust gets in to cylinders to minimize their efficiency and shorten their life.
- 4 Four-cylinder Case valve-in-head motor. Removable head. Motor is set crosswise on frame, affording use of all straight spur gears. This conserves power.
- 5 Case Siphon Thermostat control cooling system and insure complete combustion of kerosene in the motor. Prevents raw fuel from passing by the pistons and diluting oil in crank case.
- 6 Weighs about 3,400 pounds; little more than a team of horses. Low and compact with short wheelbase. Turns in 22 ft. circle. Stays on all fours.
- 7 Rated 18 horsepower on draw bar, but develops nearly 14 horsepower. Rated 18 horsepower on the belt, but develops about 24 horsepower. This insures abundant reserve power.
- 8 Belt pulley mounted on the engine crank shaft. No gears used to drive it. Pulley is part of the tractor, not an extra-cost accessory.
- 9 All interior motor parts lubricated by a combination pump and splash system. Speed governor, fan drive and magneto are dustproof and well oiled.
- 10 Complete accessibility. No dismounting necessary. Removable covers permit you to get at parts quickly.
- 11 Flyatt roller bearings in rear axle, bull pinion shaft and transmission case. Kingston ignition and carburetor. Five piece radiator with a cast frame. Core, fin and copper tube; non-clogging type.

For Sale

A choice milk cow. Phone 109. W. E. Tees, Lacombe.

Crop Outlook Very Serious

Fourth Semi-Monthly Crop Report of Department of Agriculture

A survey of crops on June 15th gave generally favourable conditions for the stand of crop throughout the province. This was subject to limiting factors as cutworms in wide distribution over the province but causing damage to the extent of 5 per cent. of the crop in only a few localities chiefly in the southern part of the province and a more serious general limiting factor represented in the persistence of drying winds extending from the boundary to Edmonton but being worse in the area swept by the strong Chinook through McLeod and the country north as far as High River and south to the boundary. The effect of the rapidly drying winds was necessarily much greater on land other than summer fallow. Tame hay had already shown backward to the point of promising less than half a crop.

Since the middle of the month the change of conditions has been unfavorable. Briefly stated it may be said that crops in the north, which means the Peace River country, have been making good progress due to a good seedling, strong germination and a sufficient supply of moisture since crops in the centre of the province corresponding with the Edmonton districts have been holding old against the limited rain supply and while this area is not facing any prospect of failure or reduction to seventy per cent. crop, the dry weather has been sufficient to cut away a good deal of leaf growth, checked the stooling and shortened the heads where the grain is shooting out. The condition of the crop may be said to be not quite as good as it was two weeks ago but the unfavorable seasonal conditions have not got to the point of bringing anything approaching disaster except along the southern side.

Early crops have been shortened and late sown crops are slow and uneven in coming up, but there is no condition of exhaustion of moisture. The tame hay crop has not gained any in the past two weeks rather the reverse

In southern Alberta, that is, south of Red Deer, the unfavorable seasonal conditions have had a more serious effect. This does not apply to the Red Deer country itself or to the country south through to Innisfail, Olds, Bowden and Didsbury to any marked extent, though the scarcity of rain has been felt to be the chief limiting factor against a good normal crop even here. The effects of the drought as it appears from north of Carstairs in the south of the Province has been sufficient to burn the crop in patches. Some of it is already red and dry on the knolls and cannot very well come back even with the assistance of copious rains. It may be said that from north of Carstairs to the International boundary and extending practically from Pincher Creek to Macleod the injury is rather marked every place, and in some localities has gone to the point of causing failure.

There are good stands of grain along the main line of the C.P.R. around Calgary, Gleichen, Chumey, Bassano and other points. The crop has been put in in good time. The land has been in good condition. There is a good stand of grain at Gleichen and at most points east to within thirty or forty miles of Medicine Hat. At nearly all of these points the crop shows red patches, but the main line of the C.P.R. has the best of the crop resources of the south country this year in the district below Carstairs. There is some good crops running south of Calgary but the effects of drought appear rather quickly. From High River to Macleod there is a progressive shortening of the crop by drought. The same is true of the Aldersyde Branch though there are exceptions on carefully summer-fallowed fields.

The most unfavorable condition in the province relates to the land tributary to the Crow, Nest and Highway and extends all the way from Pincher Creek to Medicine Hat. Pincher Creek has usually been a heavy hay country but both hay and grain are short this year. Conditions at Macleod are quite poor. There has been steady blowing which has carried destruction by wind through the Nobleford and Monarch districts. (Cardston, Magrath, Raymond and Stirling are pretty dry. There was some hope of good crops east of Lethbridge between Barnwell and Burdett, but the area is now suffering also. Medicine Hat, which a month ago had the best prospects it has had for some years, has suffered from intense heat and the absence of rain. In some cases where good farming has been carried on there is still some moisture in the soil. The effect of the heat and wind has induced transpiration from the plants more rapid than can be met by the moisture in the soil and the crops in some cases are as dry as tinder. There will be some in Medicine Hat district but the total results will not be good. The irrigated lands of the Lethbridge district have the best looking alfalfa that they have had for years. Some of the first cutting will reach over two tons per acre. The drought is giving a decided impulse to the irrigation enterprises that have been already talked of.

The overall outlook of the crop situation of the Province gives promise of good crops in the Peace River District; fair crops in Central Alberta with light crops in Southern Alberta varying from medium to almost total failure. There will not be 5 per cent. of the land seeded to grain along the Crow's Nest Railway cut for grain this season. This appears to be a rather sharp change from the conditions reported only two weeks ago. The appearance of failure comes from the combination of extremely hot dry weather and a condition of the absence of a sufficient reserve of moisture last year. While this survey represents the condition of the crops at

the present time, some allowance may be made for the tendency to recuperation of power of dry land crops. Under copious rains there might be rather better results than present appearances would lead one to expect.

The conditions of the tame hay crop has already been referred to. The Central and Northern parts of the Province will probably not have as large a surplus of native hay from the open areas as last year and more particularly Central Alberta. This is of importance in relation to the needs of the south. Already the stockmen are feeling a good deal of anxiety with regard to winter feed and a good many have gone north as they did last year, looking for hay supplies. The Department of Agriculture likewise has a number of men from the staff cruising the hay resources, particularly north of Edmonton and information will be available shortly to inquire. The province will not be able to take care of its live stock interests any better than it was last year and perhaps not so well. There will be a greater tendency to reduced stock than there was last year and there may be a considerable lowering of prices. The supply of grazing land at the present moment is not good for either sheep or cattle and there is great anxiety among the live stock men. It is too early, however, to speak positively about feed resources. There may be considerable rough growth on the land that has been sown to crop just as there was last year and stockmen would be wise to hold off from turning stock on these lands hastily. There is likewise some chance that native hay lands may yield a good deal of winter feed also. The haying season is much longer than the season for grain harvesting, and a good supply of rain might develop both native hay and feed from the grain fields in the south as well as good fall grazing. Some of the live stock is rather thin, but it will be all right if there is any reviving of pastures from now on. At the time of issue the weather of the province seems to be broken and showery.

J. McCaig,
Chief Commissioner...

Cattle Wanted

I am in the market for cattle of all kinds. If you have any cows, steers or young cattle for sale, see me. Geo. Stephenson, Phone, 604, Bentley, Alberta. I pay the highest prices.

For Sale At Once

Real Estate office, Insurance, Drawing of Legal Papers, Auctioneering, Etc. Office containing safe, desks, typewriter and other office furniture and material. On account of my health, I am forced to sell this at once. For information write Ponoka Land Co., Box 55 Ponoka, M25-3p.

There will be services at St. Cy-
rian's church on Sunday next.

Bentley News

The most successful celebra-
tion ever held in these parts was
what one hears on all sides when
asking how July 5th was carried
off in Bentley. The committee in
charge is to be congratulated on
the splendid arrangements to han-
dle crowd and provide for their
comfort. The Curling Rink made
an excellent dining room, confection-
ery store, and dance room.
There seemed to be a plentiful sup-
ply of good things for all. Another
point worthy of note was that
in spite of the showers, the whole
sports program was carried out by
a quarter past six o'clock.

There was interesting competi-
tion in every event and crowd
was all that could be desired. Es-
timates of the number in attend-
ance vary from 500 to 1500. The
latter estimate is our own, which
we think is a fair estimate. At one
time one hundred and eighty cars
were lined up round the grounds
and some more were out amidst
the trees. There must have been
fully as many horse vehicles. We
did not see one rig that was not
crowded almost to the limit. And
other fact that we wish to note
with special emphasis and to ex-
press special commendation for
the set of the officials in their
refusal to allow men and women
with gambling devices to set them
up and operate. These kind of
things are absolutely of no advan-
tage to the celebration or to the
money into community and take
hundreds of dollars out for which
they give no value whatever. We
hope the standard set will be main-
tained on future occasions. The
Ponoka Band was in attendance
and rendered splendid music
throughout the day. This is a very
fine group of musicians and ev-
eryone appreciated the splendid
service rendered.

And the Airplane! What a
splendid exhibition and what
thrills. The airplane, "Edmon-
ton" driven by Lieut George Gor-
man, with assistant Pte Derby-
shire in attendance arrived from
Neutral Hills on Friday afternoon
about five p.m. All morning long
the plane was the centre of curi-
ous crowds as they inspected and
asked questions about this won-
derful new bird. The first exhibi-
tion flight was made about 1:45 p.
m. and we think that most peo-
ple were satisfied with the stunt;
at any rate many expressed them-
selves as glad to be on terra firma
rather than with Lieut. Gorman
when he made the spiral dive, etc.
The rest of the afternoon was oc-
cupied with passenger flights. The
following passengers were lucky
enough to get booked in time, ab-
out half a dozen others were too
late. Messrs. F. W. Thorp, H.
Thorp, P. E. Thorp, J. C. Gibson,
A. B. Taylor, and J. E. Lundberg
of Bentley, Mr. H. G. Morrison,
Manager of Merchants' Bank, La-
combe and Mr. E. F. Hacking,
Bank Inspector of Edmonton. Talk
about small boys after a circus,
they had nothing on these
men as they tell of the wonderful
experience. It was real interest-
ing just to stand round and listen.
Mr. Lundberg expressed the opin-
ion that no car would be fast en-
ough for him any more, but "I
shut my eyes when we began to
drop." Percy says "it is the first
experience in all my life and I
cheap at the price. Mr. Gibson
said "When the tail dips one feels
as if the bottom has fallen out of
things." Bert Thorp says we have
not seen the beauty of the
Blindman Valley until we have
seen it from the skies.

Lieut. Gorman gave another ex-
hibition flight later in the after-
noon and from the way the crowd
scattered when he headed for the
grandstand they would have
thought they were chickens and
he was an old fashioned hawk.
The airplane left Bentley at 4:15
Sunday afternoon carrying as a
passenger, Mr. Courtly—Presi-
dent of the May Airplanes, Ltd.
A phone message Sunday even-
ing said they made the trip from
Aspen Beach to Edmonton in one
hour and ten minutes. The ball
games were well played and en-
joyed by all. The first game was
between Bentley and Blackfalds.
The teams were very evenly bal-
anced and kept things lively all
the time. At the end of the 6th
inning the score stood 4-3 in favor
of Bentley, but in the last half
of the seventh (the last) Bentley
went wild and let in two runs
which finished the game with a
score of 5 to 4 in favor of Bent-
ley. In the second game, Mead-
ow Brook ran away with Black-
falds, unfortunately this game was
broken into by a heavy shower,
and the ball and grounds were
not as nice as before. The score
was 10 to 1. In the evening,

Rainy Creek played Meadowbrook
in an exhibition game which re-
sulted in about 10 to 0 in favor of
Meadowbrook.

The trapshooting took place in
the morning. There were 18 com-
petitors. The second round found
three men tied for highest score.
When this was shot off, C. F. Dam-
ron came first with 11 out of 15.
J. Richmond 2nd with 10 and L.
Bjornson 3rd with 10.

The results of the races were as
follows.

1st, E. Miller, Meadowbrook.
2nd, Perry Reiter, Bentley.
3rd, Joe. Damron, Bentley.
Relay Race:
1st, A. Miller and H. Dool, Mead-
owbrook.
2nd, D. Parks and R. Parks, of
Blackfalds.

100 yard dash:

1st, A. Miller, 2nd P. Beech, of
Meadowbrook.
3 Legged Race:
1st, A. Miller and C. Christenson,
2nd Walter Whitworth and Paul
Everden.

Wheelbarrow Race:

1st, L. and L. Bjornson, Bentley.
2nd, A. Miller and H. Dool.
Farmers Race, 40 years and over.
1st, Chas. Whitworth, 2nd S. C.
Abbott, Lacombe.

Boys' Race, 15 and under:

1st, V. Papp, Lockhart, 2nd, B.
Nellis, Lacombe, 3rd R. Cross
Rimby.

12 and under:

1st, Glen Williams, 2nd, F. Papp;
3rd, P. Cross, Bentley.

8 and under:

1st, E. Pike, Lockhart; 2nd, F.
Whitworth, Bentley; 3rd, F. Pike,
Lockhart.

Girls' Race:

18 years and under:

1st, Anna Beck, Rimby; 2nd,
Belle Whitworth, Bentley; 3rd,
Ruth Irvin, Rimby.

12 and under:

1st, Edith Roe, Blackfalds; 2nd
Ethel Roe, Blackfalds; 3rd, Annie
Papp, Lockhart.

8 and under:

1st, Mary Papp, Lockhart; 2nd,
Lila Moulton, Bentley; 3rd, Mar-
gery Carr, Bentley.

Standing Broad Jump:

1st, W. Connelly, Rimby; 2nd, D.
Parks, Rimby.

Running Broad Jump:

1st, B. Stevens, Ponoka; 2nd, D.
Parks.

Running Hop, Step, and Jump:

1st, B. Stevens, 2nd, D. Parks.

Tug of war:

Bentley won from Rimby.

A special event not advertised
was an exhibition of Bucking
horse riding. A horse from Eck-
ville was ridden by Ray Harper
of Eckville. The rider stayed
with the horse to the finish tak-
ing some hard jolts. However it
was all on plowed ground and the
jolts would have been much hard-
er had the prairie been underfoot.

A very successful sports day
was brought to a close by dancing.
The hall at the end of the curling
rink and McPherson's Hall were
both used for this purpose.

The day was not marred by any
accident so far as we know, except-
ing when the Blackfalds' catcher
hit a Meadowbrook batter on the
head with the ball when he at-
tempted to throw the ball to second
base.

Another event of importance
this week was the banquet and re-
ception tendered the returned sol-
diers of the Rainy Creek Church
on Wednesday night. The tables
were weighted down with good
things provided by the ladies.

There were over 90 persons in at-
tendance and a most enjoyable ev-
ening was spent. Mr. J. B. Dane
tendered the community welcome
in a few well chosen words. The
men were all called upon to re-
ply and expressed their thanks for
the reception. The Canadian sol-

LUNCH AT NOON

C. F. DAMRON, Auctioneer.

diers were G. H. M. Thompson,
Douglas Wyatt and Murray Big-
man. The American soldiers were
Alva Burger, Perry Reiter, and
Leslie Peterson. One yet remains
overseas in the hospital where he
has been until quite recently dan-
gerously ill. This is Paul Steele,
and the meeting instructed a let-
ter to be sent him conveying sym-
pathy and best wishes. Murray
Bigman rendered two solos, and
Mrs. Dane also sang. A very hap-
py event was closed by the sing-
ing of the British and American
National anthems.

A special meeting of the Ben-
tley local U.F.A. will be held on
Saturday night, July 12th. The
car load of twine is expected on
the 15th and arrangements will
be made to distribute it.

Rev. E. J. Tate of Calgary, Pas-
tor of Bentley circuit some fifteen
years ago, spent Sunday with Mr.
and Mrs. P. Slaughter.

Private James Miller returned
last Tuesday from overseas.

Rev. W. Hollingsworth of La-
combe with his family is tenting
at Bentley Beach for the month.
Mr. and Mrs. Wm. Surratt are on
a pleasure trip to Banff.

Mrs. Irene Paribly, President of

the U.F.W.A. will speak in the
Bentley Church at 8 p.m. on
Monday, July 14th. No one
should miss hearing Mrs. Paribly.

Mrs. C. Austin of Sylvan Lake, a
graduate of the London Academy
is prepared to take a class in mu-
sic in Bentley. Anyone wishing
to take lessons may leave word at
the Panmouge.

Mrs. J. H. Damron and Miss
Dorothy returned home on Sun-
day evening from the United States.

Rev. J. M. Fawcett and family
spent a few days in Edmonton at
the fair this week.

Don't miss the grand celebra-
tion on July 12th.

THE EXPLANATION

Nature placed the growth-
promoting "vitamins" in the oil of
the cod-fish—this explains why

Scott's Emulsion

is so definite in its help to a child
of any age. Later-day science
reveals that the "vitamins" are
essential for normal growth.

Scott's Emulsion will help
any child grow.

Lacombe Wakes Up

Lacombe has awakened to the fact that if you want to attract attention you must make the world know you are alive, and as a result an attempt is being made by the Agricultural Society this year to put on an exhibition and sports program that will pull people here from the farthest point in the province.

The prize list never was better than it is this year in the matter of classes and large prizes offered and entries are pouring in to the secretary in numbers past all expectations.

The Directors are determined to give the visitors something to see outside the cattle and hog exhibit and have arranged with some of the premier attractions in the city shows to come here for two days, Friday and Saturday, July 25 and 26, and we will have a real Mid-way. \$2000 have been put up for horse racing and other sports, and there will be baseball and tennis tournaments, and other athletic events. The prize list appears in another part of the paper.

Everyone should try and make this year's fair a success. The Society is taking a great responsibility in the way of guaranteeing funds to successfully carry out their program, and without the help of everyone they will have their hands full.

Lola News

Road work is the order of the day, we are getting our roads in pretty good shape. If we had the phone finished we would be thinking we were doing fine. Mrs. Heimen Schwiger, wife and family is at present spending a few days with relatives here. Mr. and Mrs. Whiting and family left last Monday for their home in Bowden, Alta. after a visit with their daughter Mrs. Ray Saunders.

Mr. Ray Saunders had a bad attack of appendicitis and intends going under an operation in the near future. We hope to soon hear he is able to kick up his heels again.

A number of our young folks attended the picnic at Springdale on 27th and all reported a good time. Some of our base ball boys looked sad for some reason, but look out for July 11, Don't forget the big picnic at Lola July 11.

the place where every person reports a good time and a big day, there will be all sorts of sports. Base ball, riding the bucking bronco, sack racing, tug-of-war and other sports. Everything to make you laugh and grow fat. Lots to eat and drink. Dance at night. The Springdale Boys visit the Lola Boys.

Don't miss this—everybody welcome.

One continual round of sports.

Grain Fields Competition

Get your entries in for the Grain Fields Competition to be held this year under the auspices of the Lacombe Agricultural Society. If you have a field of grain that looks good, make your entry, and win a prize. Central Alberta is in better shape this year than any other part of the Province, and this is a good opportunity to do some advertising of our possibilities. See secretary Welch for full information and entry forms.

To Orangemen

All Orangemen in the District are invited to meet at Masonic Hall, Lacombe, at 8 o'clock on Saturday, July 12th.

Special Prizes

Given by Lacombe Belgian Horse Breeders Club and Wm. Smith. "Best 1919 foal sired by Belgian Stallion Cesar 777, \$150-\$40-\$44.

Parsons—de Boeck

A quiet wedding was solemnized at the residence of the brides' parents, Mr. and Mrs. F. V. Parsons, on Monday morning, June 30, when their daughter Ivy, was united to Mr. Frank de Boeck, Revs. Love and Cook officiating.

Married

Mr. Jno. McPhee, and Miss Florence Redig, eldest daughter of Mr. and Mrs. Val Redig, were united in marriage in All Saints Pro Cathedral, Edmonton, on June 5, 1919. Miss Jessie Redig, sister of the bride acted as bridesmaid and Mr. Alex McPhee as best man. Mr. and Mrs. McPhee for the present are living in Wetaskiwin.

Came to my place around middle of June, dark red yearling steer branded E lazy B with bar over. Owner can have same by paying damages and for this advertisement. A. E. Fields, Bentley.

Tenders for Coal

Sealed tenders addressed to the undersigned and endorsed "Tender for Coal for the Dominion Buildings, Alberta, Manitoba, and Saskatchewan" will be received at this office until 12 o'clock noon, Thursday, July 31, 1919, for the supply for the Dominion Buildings throughout the Provinces of Alberta, Manitoba and Saskatchewan.

Combined specification and form of tender can be obtained at the office and from the Caretaker of the different Dominion Buildings.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein. Each tender must be accompanied by an accepted cheque on a chartered Bank payable to the order of the Minister of Public Works, equal to 10 p.c. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

By Order

R. C. DESROCHERS, Secretary, Department of Public Works, Ottawa, June 27, 1919.
